

**OARSI Discussion Group Event via Zoom
International Foot and Ankle Osteoarthritis Consortium**

Part 1: Tuesday 12th July 2022, 12pm BST
Part 2: Wednesday 7th September 2022, 12pm BST

Consensus Statement on Epidemiology, Diagnosis, Burden, Outcome Assessment and Treatment

Event description

The aim of this 2-part discussion group meeting is to bring international experts in the field together to review the 2021 OARSI Congress priorities for foot and ankle OA research, and to engage discussion group members in determining the next steps to best move the priorities forward in a timely way.
