## Upcoming on OARSI Live

### **Collagen Biomarkers in Osteoarthritis** *April 7 @ 9:00 AM Eastern*

This session features top abstracts on mechanobiology in osteoarthritis across the spectrum from subcellular to organ-level dimensions.

**[Read more in the full OARSI Weekly Briefing.](#)**

## Young Investigator Activities at OARSI Connect '21

Every year the OARSI Young Investigator Committee hosts two workshops and a mentorship session, and this year is no different! Please be sure to check out the list of programs brought to us this year by the committee. Registration for the Young Investigator Mentorship session is required (in addition to congress registration).

## Meet the OARSI Young Investigators Committee

The goal of the Young Investigator Committee is to increase student and young investigator interest and participation in OARSI in order to create new and strengthen existing research efforts, collaborations and mentorship opportunities in both clinical and basic science studies of osteoarthritis.
